

# HAND CRAFT

by  Rubberset®

Designed for the Professional Painter who demands only the finest crafted tools, the Rubberset® Hand Craft line of brushes and rollers feature old world craftsmanship with state of the art technology to create the finest quality tools.

Hand Craft brushes are constructed from a custom blend of solid round tapered nylon and polyester filaments for excellent pick up and release characteristics. The filaments are tipped, flagged and chiseled for the finest finish and control. Hand Craft brushes offer a traditional flex and feel popular with many painters. The light Alderwood handle rests comfortably in the hand to reduce fatigue.

Hand Craft roller covers feature a softer blend of nylon and polyester fibers that offer a traditional paint release preferred by many painters trained to roll with a light touch. This blend creates our most durable fabric for longest life and is highly recommended for abrasive surfaces such as stucco. The dense fabric is locked onto a heavy wall, solvent resistant core with the finest epoxy.

BRUSHES:						
UPC	Item #	Size	Description	Thickness	Length Out	Pack
0-78435-80405-0	11045120	2"	Flat Sash	9/16"	2-11/16"	6
